

Space action song

(tune of London Bridge)

The planets spin around the sun,

Around the sun, around the sun,

The planets spin around the sun,

We live on Earth!

The sun is found in the middle,

In the middle, in the middle,

The sun is found in the middle,

It keeps us warm!

The stars are twinkling far away,

Far away, far away,

The stars are twinkling far away,

Now make a wish!

5 Little Men in a Flying Saucer

Five little men in a flying saucer

Flew around the World one day.

They looked left and right,

But they didn't like the sight

So one man flew away!

(repeat with 4,3,2,1)
