

Nursery Newsletter

The theme for November is SPACE

During November our theme will be Space. We will be learning about Space, the moon, stars and planets. We will be encouraging the children to imagine they are an astronaut travelling to Space and describe what they will encounter.

We will also be thinking about day and night. The children will be encouraged to realize that night follows day and day follows night in a cyclical manner. Please start to collect items such as empty boxes, milk cartons (washed out) and kitchen roll holders for junk art modelling.

We are looking forward to beginning open plan in Nursery in November. Each day, all Nursery pupils will have the opportunity to play together during outside play and have free choice of play across both nursery rooms before lunch time. This is a great opportunity for all Nursery pupils to interact together and get to know all staff and access the whole setting. We hope the children will enjoy this new experience.

Our visitor this month on 16th November is from The World of Owls. Mike will bring some owls in for the children to observe, touch and see in flight.

During the 2nd term the children will have several visits from Jo Jingles to encourage their enjoyment of music.

Help Us

Reinforce our golden rules.

Ensure your child has a coat with a hood every day

Ensure your child has their name on all items of clothing

Ensure they wear shoes with Velcro fixings.
