

Nursery Newsletter

Welcome to the Nursery

This is the first of our Monthly Newsletters. We hope you find them informative and interesting. The children are settling in well and enjoying the play activities. Our first topic is 'Me Oh My' where we will be learning all about ourselves.

CAR PARKING

Please remember that cars are not permitted in the school grounds. Neither should you park on the double yellow lines at the Wilgar Street Entrance.

Debbie Doolittle— a wildlife expert is coming to visit in Oct. We hope to see an owl, a hedgehog, a fox and other animals. More details later!

Things to do to help your child

Remind them to self register in the morning as they enter the story room.

Reinforce our **Golden Rules**: We walk; We listen; We share; We take turns; We tidy up.

When you collect your child each day please remember to check their trays as this is where you will find notes and art work to take home. Nursery 1 trays are in their classroom and Nursery 2 trays are in their cloakroom.

How you can help us

We need a box of tissues for each child. These are shared throughout the year.

Each child needs their own Wellington boots to keep in Nursery.

All children need a warm outdoor coat with a hood everyday.

Dundela Infants' School

September 2017
