

DUNDELA INFANTS' SCHOOL PTA
BELFAST CITY MARATHON

We are pleased to have one relay team, taking part in the Belfast City Marathon on Monday 7 May 2018. They are all training hard and are now looking for sponsorship to raise funds for the PTA which will go towards resources and equipment for school and nursery.

The members of the team are Penny Toogood, Andrew Toogood, Ross Neely, Carly Harkness and Karalyn Browne.

In the past number of years, parents and family members have been very generous in supporting the marathon. If you would like to give a donation towards this event, there are 4 ways in which you can contribute;

- Sponsor a member of the team personally
- Send a donation into school – we will be sending envelopes home later in April
- Donate through the Crowdfunding Just Giving page set up by Carly Harkness -

This link is available under PTA Marathon Update in the Newsletter section of our website dundelainfants.co.uk

- Throw some loose change into buckets which will be available at the school gates on Thursday 3 & Friday 4 May as you leave children into school.

We hope that many watching the marathon will look out for the Dundela PTA teams.
